Notice: Dedicated Email for Ethiopia Inquiries

The Office of Children's Issues has established a new dedicated email address for inquiries related to the ongoing adoption issues in Ethiopia. Prospective adoptive parents, adoption service providers, Congressional staff, and other stakeholders may send new inquiries to EthiopiaAdoption@state.gov. If you have already written to adoption@state.gov with questions or to provide information about your case, you do not need to email us again at EthiopiaAdoption@state.gov; we will respond to you from the new inbox.

Sincerely,

The Office of Children's Issues
