Immigration Services**

Grace Period Extended for Previous Edition of Form I-918

We are extending the grace period for the previous edition of [Form I-918, Petition for U Nonimmigrant Status](#), including Supplement B, U Nonimmigrant Status Certification, through Dec. 31, 2019. Starting Jan. 1, 2020, we will only accept a Form I-918 with edition date 04/24/19.

The current edition of Form I-918 available on the USCIS website is dated 04/24/19. We previously indicated that starting July 2, 2019, we would only accept the 04/24/19 edition. USCIS understands that a two-month transition period may provide a limited grace period specifically for Form I-918, Supplement B, U Nonimmigrant Status Certifications, so we have extended this grace period. You can find the edition date at the bottom of the page on the form and instructions.
