OI 265 Notices of address.

OI 265.1	Failure to company with reporting requirements
--------------------------	--

OI 265.1 Failure to comply with reporting requirements.

(a) Failure to report. Failure by an alien to comply with the reporting requirements of section [265](#) of the Act, regarding notification of address and change of address, shall not normally serve as the sole basis for initiating prosecution or deportation proceedings.

(b) Evidence of registration. Any alien not in possession of an alien registration card shall be advised of the requirement and sanctions of section [264](#) of the Act and shall be furnished an application for a replacement or duplicate card.
