

## **VSC Alert: VAWA/U/T Unit Not Currently Processing I-918s Due to U Visa Cap**

AILA Doc No. 15111334 | Dated November 13, 2015

The VAWA/U/T Unit at the VSC has notified AILA that they are not currently processing I-918 cases as all of their resources are focused on updating the U visa cap numbers. As such, please note that members should not submit individual case liaison inquiries for I-918 cases at this time. AILA has asked the VSC to notify us as soon as they begin processing I-918 petitions again, and AILA will update members accordingly.
