E-Verify is now on LinkedIn

The Verification Division is streamlining our public contact channels. E-Verify Listens will be discontinued on July 17. We are encouraging interested parties to connect with us through our [E-Verify](#) website, on Twitter ([@EVerify](#)), and on [Facebook](#). In addition, they can subscribe to [GovDelivery](#) to receive the latest E-Verify email updates, and text "EVERIFY UPDATES" to 468311 to get the latest E-Verify news.
