# USCIS Completes Data Entry of Fiscal Year 2019 H-1B Cap Subject Petitions

[Versión en español](#)

USCIS has completed data entry for all fiscal year 2019 H-1B cap-subject petitions selected in our computer-generated random selection process. USCIS will now begin returning all H-1B cap-subject petitions that were not selected. Due to the high volume of filings, USCIS cannot provide a definite time frame for returning unselected petitions. USCIS asks petitioners not to inquire about the status of their cap-subject petitions until they receive a receipt notice or an unselected petition is returned. USCIS will issue an announcement once all the unselected petitions have been returned.

Additionally, USCIS may transfer some Form I-129 H-1B cap subject petitions between the Vermont Service Center and the California Service Center to balance the distribution of cap cases. If your case is transferred, you will receive notification in the mail. After receiving the notification, please send all future correspondence to the center processing your petition.
